Account registration is required to access this service.	• Ensure only mandatory fields are completed when registering accounts. • Do not use organisational passwords when registering an account.
This service allows users to upload files, share and collaborate with others. Content may include sensitive personal information, intellectual property/copyright materials, and/or organisational information. Information stored about the user builds a user profile within the service, which may be vulnerable to identity theft if a data breach occurs. Further, once intellectual property is uploaded to this service, users may no longer have ownership of it and/or the ability to prevent the sharing of it	• Users must not upload any material (e.g., written, audio, video etc.) that they do not own or have not created, or any material that infringes Intellectual Property rights such as copyright. If not specifically required for the purpose for which the service is being used, users must not upload or share content that contains personal (e.g., information that could be used to identify the user, including photos) or sensitive organisational information. • To comply with privacy legislation, parent consent may be required for all students under 18 years if personal information is disclosed and stored within the service. Refer to your organisation's policies and procedures to determine consent requirements.
