

Subiaco Primary School Building Fund

The Subiaco Primary School Building Fund was established by the Subiaco Primary School Parents & Citizens Association in 2004.

This fund was established in recognition of the continuing role parents, school alumni and local business can play in the development of the school. The fund is registered with the Australian Taxation Office as a Deductible Gift Recipient.

All donations over \$2.00 are tax deductible.

The fund can provide money for acquiring, constructing or maintaining school buildings. The Principal and the P&C subcommittee manage the fund.

P&C fundraising will continue to support school priorities and the operation of the community pool.

Thank you to all the parents who have kindly donated to the school building fund in past years.

In 2015 we received over \$4 000 from generous families who donated money. The money was spent on a much needed upgrade to the girls and boys toilets.

This year we are hoping to raise enough money to replace the carpet in the music room.

*Thank you
Carolyn Press
Principal*
