YEAR 1-3 DIGITAL TECHNOLOGIES ACCEPTABLE USER AGREEMENT

When I use digital technologies, I agree to be a safe, responsible and ethical user at all times, by:

- Using digital technologies only when I am supervised.
- Keeping my password private and not giving my password out to others.
- Reporting inappropriate use to a teacher.
- Reporting **anything** that makes me feel unsafe or uncomfortable or if I see others being unsafe using digital technology.
- Only using sites or apps that my teacher approves.
- Only searching words and terms that are appropriate.
- Using work from the internet, only if I have permission, and I have referenced its source.
- Only taking photos and videos when I have been given permission.
- Never giving out any personal information about myself or others
- Never changing any computer settings (including history).
- Always treat equipment with respect by putting things away properly, not leaving devices on the floor.
- Being respectful and never using digital technology to be mean, rude or unkind.

I understand that:

- If I misuse digital technology or online tools, I may not be able to use these in the future.
- I understand that there are consequences aligned to Subiaco Primary School's Behaviour Policy if I do not behave appropriately.

I have discussed safe digital use practices with my child.
