

MESSAGING AND SOCIAL MEDIA

Dear Parents and Caregivers

Students are not permitted to use any messaging applications or Social Media on their iPads at school. We do not want children messaging their peers or parents throughout the school day, or parents messaging their children.

This is clearly listed in the Student Digital User Agreement, and is also part of our ethical use of ICT program. We ask you to discuss the issue with your child and both sign the Code of Conduct below. This should be returned to your child's class teacher as soon as possible. To assist your understanding of social media apps, an information sheet compiled by Dr Melinda Harris has been attached.

If you need to contact your child during the school day please follow the established protocol of contacting our office staff, who will ensure your message is forwarded through the classroom teacher.

Thank you for your understanding and please don't hesitate to contact Melinda Harris if you have any queries.

Kind regards,

Carolyn Press
Principal

IPAD MESSAGING AT SUBIACO PRIMARY

I have read the information regarding messaging applications and discussed the issue with

CHILD'S FULL NAME

Parent signature _____ Date _____

I understand that I must not use any messaging or social media applications such as iMessage, Kik, Instagram or Snapchat while I am at school.

Child's signature _____ Date _____
