INFORMATION YOU SHOULD KNOW

- Parent consent for students must be obtained in order to comply with the vendor's Privacy Policy or Terms of Use.

TIPS FOR PROTECTING PERSONAL INFORMATION

Practice and teach safe online practices (see below)

Account creation and use

Students may use their Department email address but should **not** use their Department sign-on password when setting up an account.

Data minimisation

Only provide personal information that is essential for use of the service. Reconsider sharing any optional information including photos. Remind students not to post any photos of other people without permission from the individual and parent.
