The Splash Party is held at the Subiaco Primary School Community Pool to kick off the pool season, which runs from the end of November until the end of March. It is organised by the P&C Pool Committee and is open to the whole school community whether they have purchased pool memberships or not. It is a chance to try the pool and purchase and collect pool memberships or passes. There is a free sausage sizzle as well as treats for the kids and is a fun afternoon for families to cool off in pool and socialize. This is not a fundraising event.
